Tackling what's best for your lifestyle and body doesn't have to be challenging. Bemidji State Dining Services provides a range of delicious and healthy options with meal plans that nourish your campus experience.

ONLY THE BEST

Fresh, sustainable, local, and authentic are just a few of the quality indicators you'll find served up every day in our chef-inspired, on-trend menus that always feature vegan, vegetarian, and plant-forward options.

TOOLS TO THRIVE

Our team of culinary and nutrition experts are dedicated to delivering well-balanced nutrition, specialized diet options, and complete menu transparency—because you have enough to worry about.

ALL FOR YOU

Your satisfaction is our highest priority. Through creating a student-focused culture personalized with special events, tastings, themed menus, and cooking demos, we foster a connected campus community.

Ace Your Appetite

Your convenience is our command. College can be demanding, so your meal plan should be effortless and on your schedule.

ALL-YOU-CARE-TO-EAT

Your appetite will meet its match at Wally's dining hall. Wally's serves only the best in variety and value, ranging from comfort foods and plant-forward favorites to international cuisine and original creations.

SUSTENANCE ON YOUR SCHEDULE:

- To-go boxes give the freedom to take a hot meal back to your dorm or to your next study group.
- Reusable containers protect the environment while keeping your meal or beverage fresh and available when you need it.
- Late-night hours ensure you can get the fuel you need to tackle tomorrow's challenges.

ON-THE-GO

We know the struggle of balancing academics, extracurriculars, and a social life, all while getting a good meal. That's why we offer dining locations and national brands known for quality and speed of service. We also have convenience stores with freshly made grab-and-go, coffee, snacks, and anything else you might need.

Dining location information and hours of service are available at bemidji.campusdish.com.

More to Explore

The benefits of our meal plans go beyond the obvious stability, quality, and value provided. As part of our campus family, we continuously look for new ways to ensure you live your best life—because your college years are meant to be unforgettable.

SPECIAL EVENTS

From celebrating national food days to hosting seasonal gatherings, our monthly calendar is always bursting with student-focused events meant to bring the community together in ways that are educational, nutritional, and most importantly—fun!

SUSTAINABILITY

We constantly seek methods to minimize our environmental impact on campus and create opportunities for students to join in our sustainability efforts in ways that are informative, resume-building, and fun.

NUTRITION

Our chefs and registered dietitian are trained and eager to assist with any dietary restrictions or concerns each student may have. Follow @bemidjining to catch monthly nutrition events and tips. We pride ourselves on offering a robust variety of options and resources as well as complete menu transparency to best meet every need.

LOCAL PARTNERSHIPS

We celebrate and showcase the local community by bringing authentic, local dining options and products to campus through restaurant partnerships, guest chefs, farmers markets, and more.
